SÚREGUARD™ Poly Bubble Mailers are designed to accommodate the security needs as well as being able to withstand the stresses on packaging posed by the shipping industry. Constructed first with security in mind these are durable, sturdy mailers engineered to withstand today's shipping environment. SÚREGUARD™ Poly Bubble Mailers boast the following features:

- Manufactured with a sturdy, multi-layer blend of lightweight resin materials.
- Security first design features engineered to withstand moisture, dirt, punctures and external stresses.
- Biodegradable materials tested and verified by independent laboratories and international standardization bodies.
- These popular padded envelopes are sturdily built with bubble lined wall construction for extra protection during transit.

- Premium, cost-effective mailers are excellent solutions for shipping a wide variety of items.
- Self Sealing Bubble Mailers provide outstanding low cost shipping protection for a wide variety of products
- Shipping labels are able to adhere securely to the recycled Kraft paper cover.
