

**KRAFTGUARD™ Kraft Bubble Mailers** are designed to accommodate the security needs as well as being able to withstand the stresses on packaging posed by the shipping industry. Constructed first with security in mind these are durable, sturdy mailers engineered to withstand today's shipping environment. KRAFTGUARD™ Kraft Bubble Mailers boast the following features:

- Security first design features engineered to withstand moisture, dirt, punctures and external stresses.
- Biodegradable materials tested and verified by independent laboratories and international standardization bodies.
- These popular padded envelopes are sturdily built with bubble lined wall construction for extra protection during transit.
- Premium self-sealing, cost-effective mailers for shipping a wide variety of items.
- Shipping labels are able to adhere securely to the recycled kraft paper cover.
- Tamper-evident hot melt sealing closures for security of contents.
- Custom options available.
