

PACKK™ Packing List Envelopes feature a wide range of plastic-sleeved packing list envelopes that easily adhere to cardboard, paper, metal or wood, and offer superior protection for the contents stored inside. Designed to accommodate the needs posed by the ever-changing packaging industry, PACKK™ Packing List Envelopes feature a clear body, that allow your team, delivery services, and your clients to check the contents without opening the pouch.

- ▶ Manufactured with sturdy lightweight resin materials that adhere instantly and securely.
- ▶ Tamper-resistant design engineered to withstand moisture, dirt, tears and punctures.
- ▶ Biodegradable materials tested and verified by independent laboratories and international standardization bodies.
