

Fully customizable

Nature friendly packaging

- Recycle like a box
- 3x stronger than bubble mailers.
- Includes a self-seal for an easy, permanent closure: simply pull the liner to have a one-time seal.

Natural, recyclable dotted padding helps protect your package and the environment.

WILDPAC™ is made from an innovative, 100% compostable, yet highly available material.

WILDPAC™ is in tune with the planet and wildlife. Through this product line, we aim to not only replace, but improve on, what are known as 'forever plastics' in the consumer packaging industry.

Lower carbon emissions and improve your bottom line with **WILDPAC™ from Impactt**. These fully customizable, environmentally-friendly mailers are strong and durable.
